## Dividing Shoe Profits.

While we have still on hand quite a large variety of Summer Shoes—which we shall continue to sell at the low prices which have prevailed during our great Closing Out Sale—we are already well prepared for your early Fall Shoe-wants.

Shoe prices are much higher and your Fall Shoes will either be poorer in quality or cost you more. For the present we shall not advance prices nor cheapen quality. We have placed immense shoe contracts before the advance in prices, and we are going to divide profits with our patrons—until the times in Washington are ripe for higher prices.

### LETTERS FROM GOVERNORS.

The Work of Raising Funds to Welcome Dewey.

Chairman Moore, of the Dewey reception committee, is expected home on Monday, and will take an active part in pushing the work of preparation for the reception of the Admiral. In the meantime Acting Chairman Cox, and Secretary Van Winkle are extremely busy getting reception affairs in shape, while the various committees are doing everything to perfect their plans at the earliest moment possible.

By David T. Day called at the general headquarters this morning and handed in \$10 for ten souvenir badges. "I sold two of the badges in New York last night," said the doctor, "and will sell many more of them in the next few days. I am in Philadelphia and New York a good deal and there is a great deal of interest displayed at those places in the reception to be given in Washington and I expect to see a number of people from New York in Washington when Dewey gets his sword."

The following subscriptions have been received by the general committee: Alfred S. Gillett, \$200; Prindle & Russell, \$25; Dr. J. B. Gregg, Curtis, Reed & Wilson, the Rev. John D. Whitney, Judson T. Call, Frank T. Rawlins, and C. G. Sloan, \$10 each; Sanders & Stayman and Perry S. Foster, \$5 each.

Letters of acceptance are arriving daily. The following coming from New Hampshire this morning:

Sir: I am directed by his Excellency, Governor Rollins to acknowledge receipt of your letter, dated August 29, and in reply to say New Hampshire will undoubtedly be represented at the reception to Admiral Dewey, but at this time it is not possible to say by whom. Very respectfully, A. D. AYLING, Adjutant General.

A letter from Charlottesville, Va., Va., received this morning, states that Governor Atkinson, of that State, will attend the Dewey reception, unless some unforeseen business prevents. Thomas Blagden, from his camp in the Adirondack Mountains, writes that he will gladly serve on the reception committee, "for Dewey is a friend of mine, and I have never felt as much interest in anything of the kind before."

A letter received today from Secretary Gage states that permission is granted the Dewey Reception Committee to erect the reviewing stand for the Admiral and the President at Fifteenth Street and Pennsylvania Avenue.

Chairman Parker, of the committee on finance, sent out 1,100 of the following letters today:

Dear Sir: The committee on finance appeals to each member of the various committees for a subscription to the Dewey Reception Fund, and I enclose herewith a form to be used in making such a subscription.

It is the wish of the committee that the funds for the reception be available within ten days, and it is hoped that you will co-operate with it in making a success worthy of the Admiral and a credit to the Capital of the country. I am, yours very respectfully, E. E. PARKER, Chairman Committee on Finance.

The committee on illuminations and decorations held a meeting this afternoon at 1415 F Street.

**Theatrical Folk to Be Wedded.** NEW YORK, Sept. 1.—There have been reports for some months that Alfred E. Arons, lately manager of Koester & Bial's Music Hall, and Miss Josephine Hall, who at present is playing the title role in "The Girl from Maxim's," at the Criterion Theatre, are to be married soon. A friend of both, who is a prominent theatrical manager, confirmed the reports yesterday by stating that he knows to be true that Mr. Arons and Miss Hall had become engaged a short time ago and that they would be married in this city within the next two months. Efforts were made yesterday to secure a confirmation from both Mr. Arons and Miss Hall and while neither one would confirm or deny the report, they gave the impression that it was true.

**Death of Corporal Barry.** Brigadier General Davis telegraphed to the Adjutant General yesterday from San Juan, that Corporal Stephen A. Barry, Company C, Eleventh Infantry, died of Malaria, Porto Rico, on August 26, from a wound inflicted by a native. No particulars of the affair were contained in the despatch.
